

Lisa BONNER

LAWYER - BEST SELLING AUTHOR - JOURNALIST - TRAVEL EXPERT - INFLUENCER

WHO IS LISA....

Lisa Bonner is a veteran entertainment and intellectual property attorney who provides counsel for large media companies, television and film distribution companies, music, television and film screenwriters and producers, independent artists, music producers, songwriters and publishers, and provides counsel for tech start-ups and small businesses. A successful entrepreneur for over 20 years as managing attorney of Bonner Law PC, Lisa has served as outside General Counsel for some of the largest and most recognizable name in content handling editorial, print, digital, television, book publishing, music financing, television and film production and distribution companies.

Lisa is an avid traveler and has traveled to 85 countries. Her quest for adventure began as a young child and her wanderlust continued as a young adult living in Bologna, Italy and Thessaloniki, Greece. Lisa is regularly hosted by tourism boards across the world, and in 2010 began chronicling her travel life, focusing on aspirational travel destinations, with an eye towards socially conscious issues that may be of interest to the sophisticated and discerning traveler Lisa's travel articles have been featured in various publications, including Ebony, Essence, Yahoo.com, the Huffington Post, and Uptown Magazine.

Lisa is also a critically acclaimed television producer on several documentary films including Little Ballers, which debuted on Nickelodeon (featuring now "Big Baller" Orlando Magic's Cole Anthony) which was nominated for a 2016 NAACP Image Award; Little Ballers Indiana featuring WNBA's Skylar Diggs, and Foreman, the authorized biography of George Foreman.

Lisa's debut book, *The Legaliteas of Entrepreneurship: The Relentless Pursuit of Excellence in Balance in Starting Your Own Business* (BookLogix) was released in April 2022, and remained at #1 New Releases in Amazon's Self-Employment category the month of its release.

TESTIMONIALS

Lisa has done an exceptional job of navigating the reader through both the process and steps of entrepreneurship for those who already are entrepreneurs but want to hone in on their skills and those who are just starting out as entrepreneurs. The LegalITEAS of Entrepreneurship is an excellent read. **Mathew Knowles, MBA, PhD, Author, Entrepreneur, Music & TV Executive**

I became an accidental entrepreneur over 17 years ago and I wasn't prepared for the journey therefore I made a lot of very costly mistakes along the way. If you want to avoid the pitfalls that befall many entrepreneurs you'll buy The LegalITEAS of Entrepreneurship and read it cover to cover. **Bevy Smith, Author of "BEVELATIONS- Lessons From A Mutha, Auntie, Bestie" Host of SiriusXM "BEVELATIONS"**
